Who We Are

CircleofHope is a proud registered NDIS provider that has served Southwestern Sydney since early 2019. The organisation was born from a vision in 2015 and built on a passion for giving back to the community and supporting people of all ages living with disability.

In 2019 we supported our first participant, who is still with us today, employed three staff and opened our first centre. Today our team of around 100 supports approximately 350 participants. That growth reflects our commitment to genuine, high-quality care and tailored support. For people searching for **NDIS Cabramatta** support, it means an experienced local provider that understands the community.

What Makes NDIS Cabramatta Support Different at Circle of Hope?

- **Personalised plans.** Every support plan is built around what matters most to the participant and their family.
- **One provider, many supports.** Home care, therapy, accommodation, day programs, support coordination and plan management are all available in one place, so you do not have to juggle several providers.
- **Registered and accountable.** Circle of Hope is registered with the NDIS Quality and Safeguards Commission.
- **Local to the region.** Our centre in Yennora serves Fairfield, Liverpool, Bankstown, Auburn and surrounding suburbs.

Our NDIS Services for Cabramatta Participants

Our **NDIS Cabramatta** support covers the full range of services a participant may need. Whether your plan is Core Supports, Capacity Building or Capital Supports, we can help you put your funding to work.

In-Home Care	Personal care, domestic support and daily living assistance delivered at home so participants can live more independently.
Allied Health	NDIS Occupational Therapy, NDIS Physiotherapy and NDIS Speech Therapy, plus early childhood intervention for young children.
Accommodation	Supported Independent Living (SIL), Short Term Accommodation / Respite, Specialist Disability Accommodation (SDA) and Specialised Substitute Residential Care (SSRC).
Community & Skill Building	Day programs, community participation, activities and skill building, and School Leavers Employment Support (SLES).
Home Modifications	Home modifications, construction and design to make the home safer and more accessible.
Plan Support	Support coordination and plan management to help you understand, use and get the most from your NDIS plan.

Allied Health for NDIS Cabramatta Residents

Our therapy services are designed to build everyday skills, confidence and independence.

- **NDIS Occupational Therapy:** practical strategies for independence at home, school, work and in the community.
- **NDIS Physiotherapy:** support to improve movement, strength, mobility and physical wellbeing.
- **NDIS Speech Therapy:** help with communication, language and swallowing for children and adults.

Circle of Hope's registration groups include Development of Life Skills, Therapeutic Supports, Specialised Support for Employment, Assistance with Personal Care/Safety and Assistance with Travel/Transport.
